Business Term Loan

Capital You Need with Predictable Fixed Payments

Business term loans are a financial agreement in which a business borrows a specific lump sum of money upfront from a lender for a specific period of time. This type of funding can provide crucial support for business purposes, such as expanding operations, purchasing equipment, managing cash flow or navigating challenges.

We can help small businesses access funds quickly with business term loans from our trusted network.

- ✓ Shorter terms, faster delivery of funds
- ✓ Flexible repayment options with daily, weekly or monthly payments
