

BUSINESS SPECIALTY LENDING

Healthcare Financing

Fast, Flexible Funding Designed for Healthcare Providers

Practicing healthcare is stressful. Finding the right capital for your practice or healthcare business does not have to be. We help healthcare and medical practices access funds quickly with healthcare invoice factoring solutions from our trusted lending network without the hassles, waiting, and red tape of traditional lenders.

This funding solution helps improve cash flow and revenue cycles by advancing funds on third party unpaid medical insurance claims and medical accounts receivables, providing immediate access to capital without having to wait for payers.

Who Can Benefit?

Any healthcare provider that bills private or government insurance entities for medical services, including Medicare and Medicaid.

Key Highlights
