ASSET-BASED FINANCING

Inventory Financing

Inventory-backed lines of credit facilities from $1M to $15M

Stand-alone inventory financing can provide clients with revolving lines of credit secured solely by inventory located in the U.S. or in transit to the U.S. These facilities are designed for retailers, manufacturers, distributors, and e-commerce businesses enabling them to increase purchasing power, improve cash flow, and fund growth without relying on accounts receivable.

Key Features

ADVANCE RATES **Up to 85% of the net orderly liquidation value (NOLV) of inventory on hand**	STRUCTURE **Interest only payments on the portion of the principal drawn down**	COMPANY **Must be a USA company**
TIME IN BUSINESS **At least two years with tax returns**	INVENTORY VALUE **$2,000,000+**	

Why Inventory Financing?

- Unlock capital tied directly to inventory assets
- Increase purchasing power without adding long term debt pressure
- Improve cash flow while supporting growth and operations
- Ideal for inventory heavy businesses with strong turnover
- Flexible revolving structure based on asset value
